

Global Schools' Exchange COVID CARE AGREEMENT

Partner School: **Waikato Diocesan School for Girls**

- Partner school (**Waikato Diocesan School for Girls**) girls and their families (over the age of 16) are expected to be double vaccinated, and proof uploaded to our online portal – Downe House Global Gateway.
- Parents will agree for their girls to be Lateral Flow Tested 2 times a week in-house when they visit Downe House.
- Partner School (**Waikato Diocesan School for Girls**) and host families will follow all government guidelines at the time of the exchange as hosts to Downe House girls.
- Partner school (**Waikato Diocesan School for Girls**) will ensure that their students have valid COVID travel insurance when they visit Downe House.
- Partner school (**Waikato Diocesan School for Girls**) to ensure a staff member is available during the full period of the exchange for Downe House staff to contact in case of an emergency.
- In the event of a Downe House student catching COVID whilst on exchange whilst at Waikato Diocesan School for Girls, the Downe House student will isolate with the Dio host family (including those students who are being hosted by a student in boarding at Dio) If needs be the Downe House parent will rearrange flights and liaise directly with the partner school and host family. The other Downe House student will still catch the flight on the scheduled date. Partner school and/or host family to facilitate 2 airport runs.
- In the event of a student returning a positive Covid test before the start of her exchange, the partner school will welcome her at a later date when she is fit to fly. The decision as to whether or not her fellow student will travel on the agreed date or delay her exchange will be taken on an ad hoc basis.
- Partner school (**Waikato Diocesan School for Girls**) will aid the Downe House pupil in receiving a PCR test and completing any airport documentation (if applicable) before departure.
